Dear Ms. Schmidt:

In September 1979 three individuals were selected to serve on the ACEOC Board of Directors by the City Council. In order to maintain their legal representation on the Board, the newly elected City Council must re-approve these three individuals: Angela Wright, Robert Nichols, Reverend James Hall.

We would appreciate this item being placed on the agenda of the next meeting of City Council. Once City Council approves these appointments a letter of verification should be sent to the address listed above.

Thank you for your cooperation, we look forward to working with City Council in addressing the needs of the poor.

To the Common Council
Fort Wayne, Indiana

Dear Mrs. Schmidt and Gentlemen:

As you are aware, in the case of Bentley et al. vs. the City of Fort Wayne, the judgement rendered by Judge Bloom has been affirmed by the Indiana Court of Appeals. The fifteen firefighters covered by the judgement are now entitled to payment of the differential in pay together with 8% interest.

The computation of the exact amount owed is now being calculated. It is my estimate that the total will be approximately $155,000. The final tabulation will be available for the hearing in Judge Bloom's court, now scheduled for Monday, January 28, 1980. At that time, a specific dollar judgement will be entered into the court record.

To prevent any unnecessary increase in the total amount owed because of continuing interest charges, it is my intention to present a check to the clerk of courts immediately after that hearing. These funds will be drawn from the Fire Department's Salaries and Wages Budget Line (4-02-010-015-4111). Since we are in the first month of the 1980 fiscal year, there is a sufficient balance to cover this expenditure.

Obviously, this expenditure from the salary line will have to be replenished by way of an additional appropriation. I will return to the Common Council at the earliest possible time to present such an appropriation ordinance.

Respectfully Submitted,

Frank W. Heyman
City Controller
